EXPERIENCE

Envento Soft Private Limited .... **May 2023 – Present**
SDE-1 .... Lucknow, Uttar Pradesh

- Authored and implemented responsive websites and interactive features, resulting in a 40% increase in user engagement and a 25% reduction in bounce rate.
- Conducted routine updates, applied critical security patches, and efficiently performed various maintenance tasks, contributing to the achievement of a 93% optimal website performance.
- **Tech Stack:-** React.JS || Node.JS || Git || Github

Jaxl Innovations Private Limited .... **Nov 2022 – Feb 2023**
Intern .... Lucknow, Uttar Pradesh

- Gathered and analyzed user requirements from 10 stakeholders throughout the software development life cycle, iterating through 8 rounds of feedback to create a robust and efficient codebase for the tool. This comprehensive approach significantly benefited the senior developers, leading to a 40% reduction in development time and a 25% increase in overall productivity.
- Implemented bug fixes for the web app, addressing issues present in previous versions and resulting in an almost 45% improvement in the lighthouse score.
- Spearheaded the adoption of modern architecture principles, leveraging npm to maintain a scalable and modular codebase, resulting in a 30% decrease in bug reports and improved development velocity.
- **Tech Stack:-** Typescript || SASS || Node.JS || Figma || Github || Mocha || Chai

PROJECTS

Web Chat App .... **view**

- Developed a real-time responsive chat application exhausting all the MERN tools and hosted it on Render.
- **Tech Used :-** React.JS || Node.JS || Socket.io || MongoDB

Portfolio-Website .... **view**

- Constructed and launched a portfolio web app using Node, enabling seamless interaction with individuals and providing awareness of forthcoming projects and tasks.
- **Tech Used :-** SCSS || Node.JS || Git

EDUCATION

Institute Of Engineering And Technology, Lucknow .... **August 2019- May 2023**
Bachelor Of Technology in Electronics and Communication Engineering .... Lucknow, Uttar Pradesh

- Leadership: Part of Coding Club (Mentor), Parmarth (Management Head)

ACHIEVEMENTS

- Solved over 800+ standard problems on various coding platforms like Codechef, GFG, Hackerrank, etc.
- Maintaining a streak for 350+ days on LeetCode, consistent challenges, and skill enhancement have led to a journey of continuous improvement, earning me a proud collection of 12 medals for consistent performance.

SKILLS

- **Strongest Areas**: Data Structures, Algorithms, OOPS, Web Development
- **Certifications & Training:** Complete Web Development Bootcamp (Udemy- Angela YU), Python For Beginners(Coursera)
- **Languages & Tech**: C/C++ || React.JS || Node.JS || Express.JS || REST API || SQL || MongoDB || TypeScript || Bootstrap || Git || Github
- **Links**: [Github](#) || [LeetCode](#) || [GFG](#) || [HackerRank](#)
